

# LIBELLULE

A detailed black and white illustration of a dragonfly, also known as a libellule. The dragonfly is shown from a side profile, facing right. Its body is long and segmented, with a prominent abdomen. The wings are large and transparent, with intricate vein patterns. The dragonfly is positioned in the center of the page, with the word 'LIBELLULE' written in large, bold, capital letters above it. The background is a light blue color with a subtle pattern of vertical stripes.

# TÉTARD

A green frog tadpole with a long tail is shown in a jumping pose. The word 'TÉTARD' is written in large, bold, black letters above it. The background is a light blue gradient with a white diagonal line.

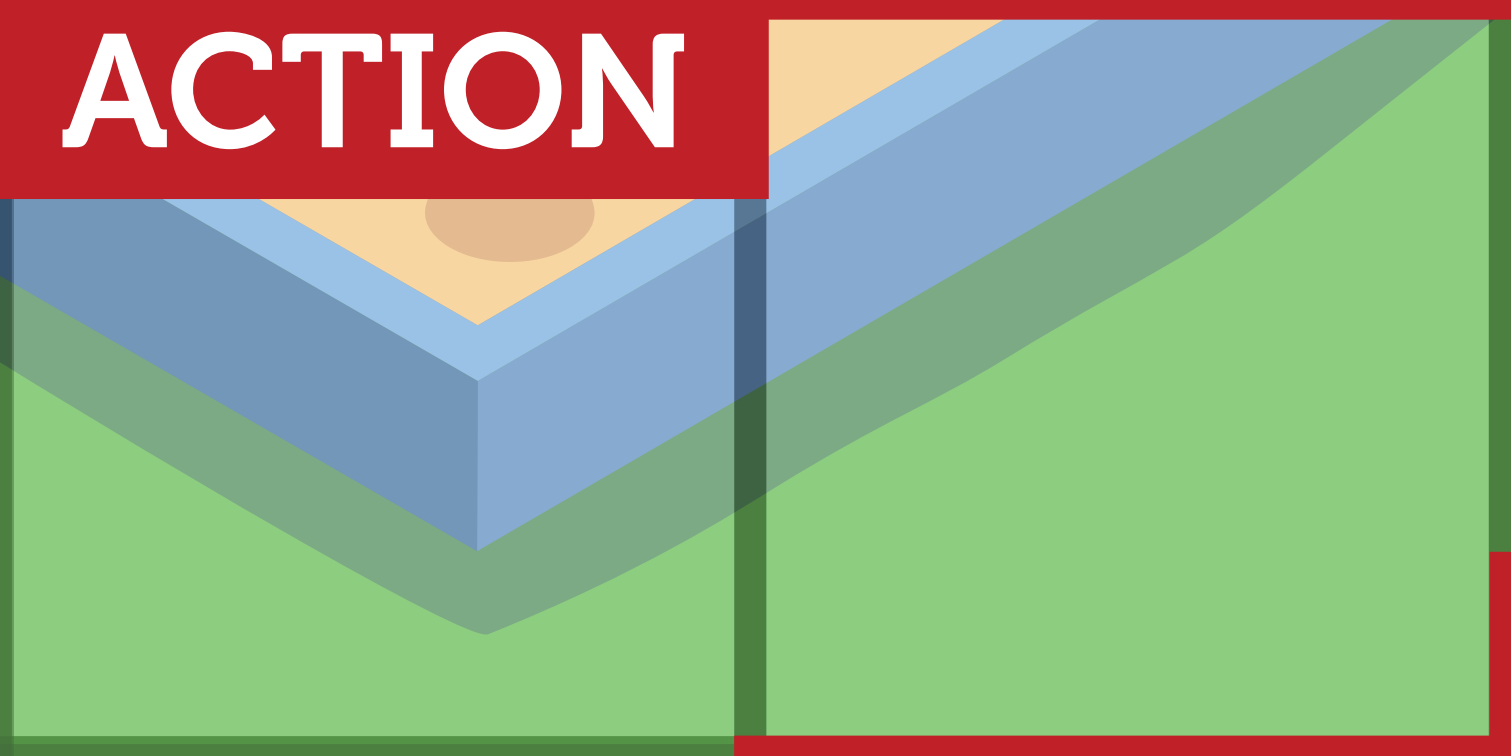

# ACTION

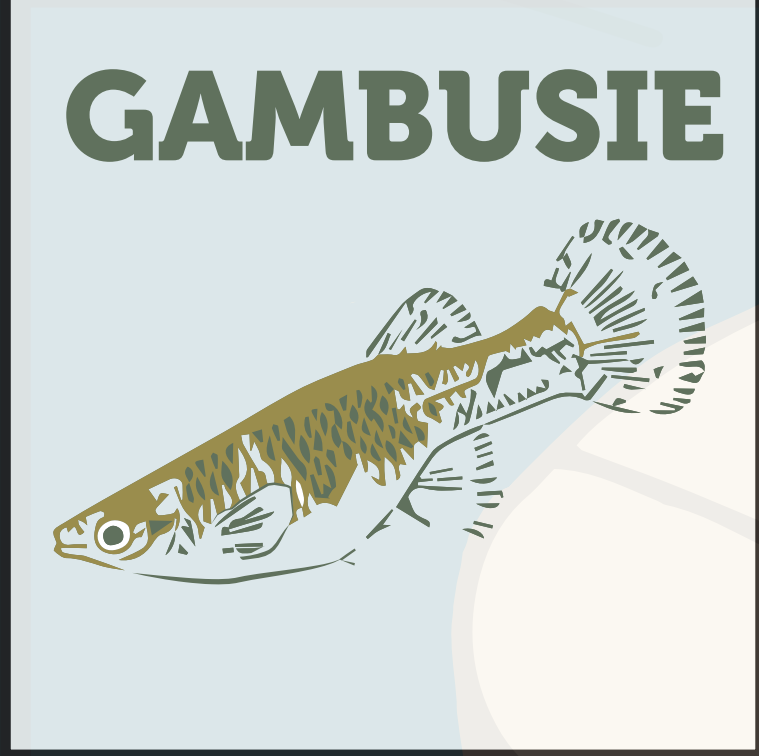

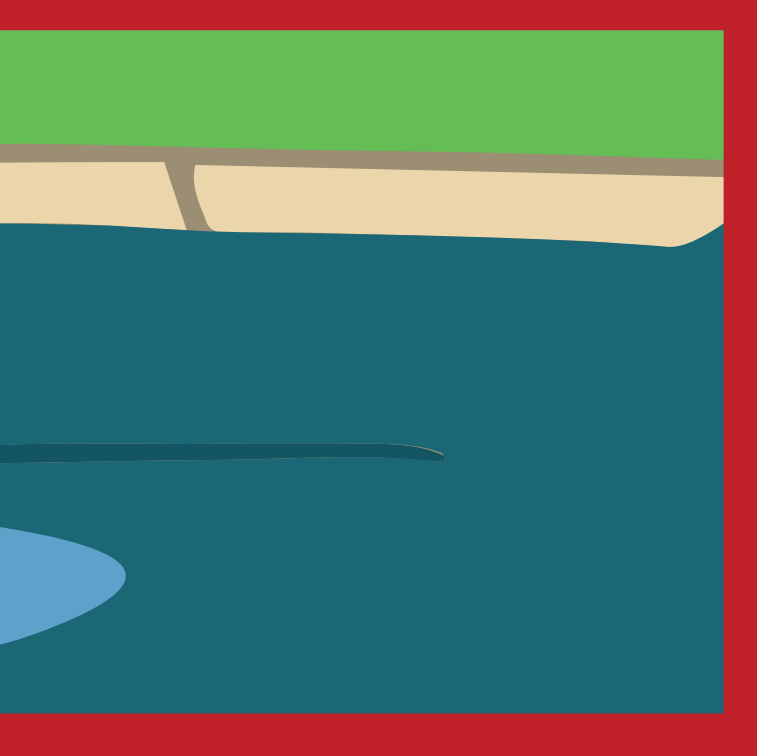

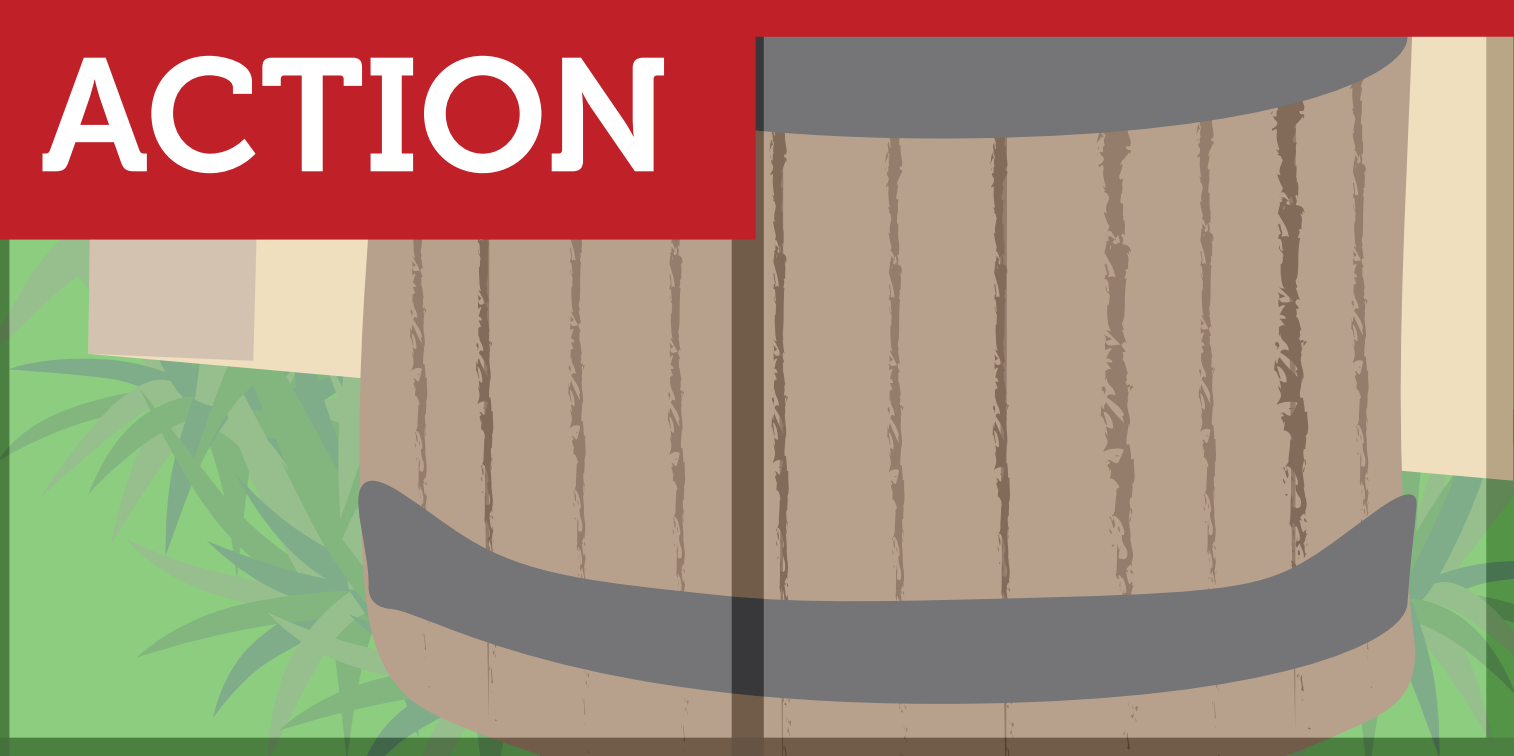

An illustration of a dragonfly with a red and black striped abdomen and transparent wings, perched on a grey rock. To the right of the rock is a large, black, treaded tire. In the background, there are green grass blades and a small blue puddle of water. The entire scene is set against a light yellow background.

A colorful illustration of a sandy beach scene. In the foreground, a blue and black fly is on the sand. To its left is a red plastic cup that has tipped over, spilling a small amount of blue liquid. To the right of the fly are two small, conical sandcastles. Further right is a green plastic shovel, also with a small puddle of blue liquid on its head. The background shows a blue border representing the water and a green area representing grass. The entire scene is framed by a thick red border.

An illustration of a mosquito standing on the rim of a blue water container. The container has a grey rim and a blue body. The background is a simple landscape with a green hill, a brown ground, and a blue sky.
